Growing up in a second-generation Italian American family I know what great Italian food should taste like and I have taken personal charge of this event. I have given my Mom's incredible gravy/sauce recipe to our excellent staff for this buffet. The recipe contains 10 ingredients that have been used by my family to make great Italian "gravy" for 3 generations. I guarantee that you will love it. Last year's Italian buffet drew large crowds, so we hope to see you there!

Mangia bene!!

Monday January 21. Boat House Fun Run

Members will cruise to the new Boat House Restaurant in upriver just north of the power plant. The boat house is owned and operated by the Kearns Restaurant Group, the founders of Ford's Garage, Firestone, Capones and Boat House in Cape Coral. Enjoy a delicious luncheon with old friends and meet some new ones. You have received several emails from Chad on this event and will receive another one. So far we have 11 boats that have reserved space and have almost 40 members and guests cruising with them. The Boat House is an open tiki hut restaurant with a swimming pool and outdoor games. We have reserved all 16 slips for this event and there are only 5 reserved slips left so if you are interested please email Jon Smiley jon@shycfl.com for reservations and any details you may need.

Learning from last year with the unexpected bad weather, this year we have set an inclement weather date of Wednesday, January 23rd.

DECEMBER EMPLOYEE OF THE MONTH

Our December Employee of the Month was Joey Davila. Joey is a valet and has excelled at his job. Congratulations, Joey!

Most of your Board of Directors have been on the Board for 6 or more years. We are here to ensure that the marina is operated properly with fiscal responsibility and that you receive a "5 Star" experience when you are at the marina and clubhouse. Whether your experience is exceptional or fails to meet your expectations, please let me know. I am always available to speak with you and will help in any manner.

Sincerely,

Peter Mazzagatti, President
